TRINITY TRIBUNE

FROM THE PRINCIPAL

Enthusiasm, Support and Excitement at the P-3 Athletics Carnival.

Last Friday, 28 July we had the perfect weather for our annual P-3 Athletics Carnival, which was matched by the enthusiasm and support of the participants. As students were able to demonstrate what they have practiced in their PE Lessons, it was great to see their engagement as they moved through a series of stations.

In life we know that we don't all have the same abilities, some are naturally more gifted in some areas than others, however, what is encouraging to see is the sense of having a go and engaging in activities with enthusiasm no matter what level we are at. The morning was filled with fun and enthusiasm as students ran their races, completed the high jump, threw the javelins and discuses, competed in sack races, egg and spoon races and so the list goes on.

Having so much support from parents, grandparents and other family members there to encourage the children on was excellent. It was an amazing opportunity to come together as a community to encourage the children and celebrate with them. For the parents who frantically raced around taking photos for their friends who couldn't be here because of work, they were fantastic as they balanced so many events going on at once. We want to thank everyone who came and supported the day as it made it such a wonderful event.

These events can't happen without the people behind the scenes. I would like to acknowledge Mrs Wildey, Mrs Hobbs, Ms Rodhmann and Mr Robinson as they organised the day and managed the events throughout the morning. For those in attendance you would have noticed a number of students helping out, these were our Sports Captains, along with a number of Senior Sport students. We want to thank all these people as they made the morning run smoothly, managing each of their stations and supporting the students.

Well done to all the students, thank you for all the support and encouragement during the morning.

NAIDOC

NAIDOC Day at Trinity was an opportunity for all students to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth. The theme of this 2023 was respecting our elders. Student participated in a variety of activities ranging from dot painting, mural making, story-telling and face painting. Special thanks to our captain Hayley who organised the day and Pastor Jarrod Beezly who brought the message at Primary Chapel.

**PREP - YEAR 6
COSTUME PARADE**

FRIDAY, 18 August 8:40am-9am

The safety of our students depends on you

At school, your child learns about road safety. Help them practice the road safety messages they learn by using and sharing them whenever you're out and about.

To lead by example, you should always:

- Drive around the block if you cannot enter the Stop, Drop & Go. Stopping while waiting for your turn to enter the Stop, Drop & Go is considered a "stopping offence", as this disrupts the flow of traffic and puts your child/ren's safety at risk
- Avoid stopping in the school's driveway or surrounding resident's driveways or grassed footpaths
- Not stop in a school bus zone
- Drive to last bay in the Stop, Drop & Go
- Observe the two-minute time limit within the Stop, Drop & Go zone and all timed carparks
- Use a parking bay and not the Stop, Drop & Go if you wish to exit your vehicle for longer than two minutes

Offences in school zones include:

- Stopping on side of road marked with a yellow line
- Stopping on a traffic/painted island
- Parking longer than indicated on signage
- Stop on/near pedestrian/marked foot crossing
- Stop in/at/near bus stop
- Double parked – stopping between the centre of the road and another vehicle
- Stop on/near children's crossing
- Disobey no parking/stopping sign
- Stop on path/footpath/nature strip in built-up area
- Stop on/across driveway/other access to/from land

Fines apply.
