

Week 5-6 | Term 1 | 2024

# TRINITY TRIBUNE

## FROM THE DIRECTOR OF TEACHING & LEARNING

Parents staying connected and engaged with their child's learning is important to us at Trinity College. We're excited to introduce Canvas LMS as a powerful tool to keep you involved in your child's academic progress!

Canvas Learning Management System (LMS) is rolling out in Years 7-12 in 2024. It will be replacing Google Classroom as the key program for resources, assignments, grades and teacher-student communication.

We encourage parents to sign up to Canvas LMS to:

Stay Informed: Receive instant updates on assignments, grades, and announcements, ensuring

you're always in the loop with your child's academic journey.

**Facilitate Communication:** Seamlessly communicate with teachers, fostering a collaborative environment that nurtures your child's growth and success.

**Support Learning:** Utilize resources and materials on Canvas to reinforce learning at home, strengthening your child's understanding and mastery of concepts.

Please see the guide at the end of this newsletter on how to sign up as a parent and download the app on your phone.

Stay tuned for the rollout for Primary School students later in the year.

Thursday, 14 March

# NEPAL IMPACT TRIP

In August/September 2024, a group of Trinity College students and staff will embark on a mission to Nepal.

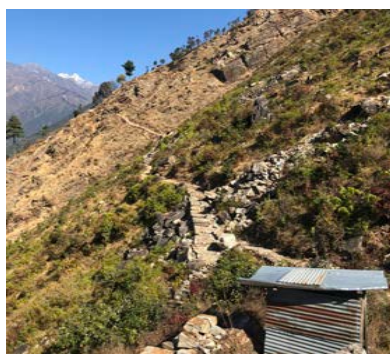

Since the 7.6Mw Earthquake in Nepal in 2015 there has been major devastation to the country and the Government doesn't have the capacity to rebuild and give assistance as other countries do. This will be the first time that Trinity College has had opportunity to go and provide assistance.

The primary goal is to contribute to the completion of a vital community project, either a Health Care Centre or a School, in collaboration with local communities. This initiative aims to make a lasting positive

impact on the lives of those in need and foster a sense of global citizenship among our students.

The funds raised will directly contribute to the successful completion of the Nepal Impact Trip, allowing our students to actively participate in a hands-on, cross-cultural experience that will broaden their perspectives and deepen their understanding of global issues.

Any size donation is appreciated in this worthy cause. A "Go Fund Me" page has been set up to receive donations <https://gofund.me/4ac0a1f3>
